7. Resolution for a new authorization to acquire treasury shares and to withdraw them from circulation.

The Board of Management and the Supervisory Board propose that the following resolution be taken:

7.1 The Company shall be authorised to acquire shares of common and/or non-voting preferred stock of the Company via the stock exchange, up to a maximum of 10% of the share capital in place at the date of the resolution. The consideration paid by the Company per share of common or non-voting preferred stock (excluding transaction costs) shall not be more than 10% above or below the market price as determined by the opening auction on the date of trading for the relevant category of stock in the XETRA trading system (or comparably functioning successor system).

This new authorisation to acquire shares shall remain valid until 6 November 2009. The authorisation may be exercised fully or in partial amounts, in the latter case also on several occasions. The Company’s shares shall not be acquired for the purpose of trading. The authorisation resolved at the Company’s Annual General Meeting on 15 May 2007 (point 7.1 of the Agenda to the Annual General Meeting 2007) to acquire treasury shares shall be rescinded from the date on which the new authorisation passed by the Annual General Meeting on 8 May 2008 becomes valid.

7.2 The Board of Management shall be authorised to withdraw from circulation any shares of common and/or non-voting preferred stock acquired on the basis of the new authorisation, without any requirement for a further resolution to be passed at the Annual General Meeting to withdraw those shares from circulation. The authorisation may be exercised fully or in partial amounts, in the latter case also on several occasions.
8. **Resolution regarding the amendment to § 15 of the Articles of Incorporation (Remuneration of the Supervisory Board).**

The fixed remuneration of the Company’s Supervisory Board, at EUR 6,000 p.a., is comparatively low and has not been adjusted since the financial year 1999. In order to reflect the control and advisory functions exercised by the Supervisory Board in a more balanced way in the total compensation amount, it is planned that the fixed proportion should be raised and the variable proportion reduced. Under the new rule, the variable compensation will – subject to a predefined upper limit – be based in the future on earnings per share (EPS) if the latter exceeds a predefined minimum amount. In this way, compensation will be based to a greater extent on the actual success of the business.

The Supervisory Board and Board of Management therefore propose that a resolution be taken to amend § 15 of the Articles of Incorporation and reword it as follows:

"§ 15 Remuneration of the Supervisory Board

1. Each member of the Supervisory Board shall receive the following for each financial year (remuneration year)
   
a) a fixed amount of EUR 55,000 payable at the end of the financial year and
   
b) a profit-oriented variable remuneration of EUR 220 for each full EUR 0.01 by which the earnings per share (EPS) of common stock reported in the Group Financial Statements for the relevant financial year (remuneration year) exceeds a minimum amount of EUR 2.30, up to a maximum amount of EUR 110,000. The variable remuneration shall be payable at the end of the Annual General Meeting at which the Group Financial Statements for the remuneration year are presented or at which the resolution concerning their approval is taken.

2. The Chairman of the Supervisory Board shall receive three times the amount resulting from sub-section 1. Each Deputy Chairman of the Supervisory Board shall receive twice the amount resulting from sub-section 1. Provided the relevant committee convened for meetings on at least 3 days during the financial year, the chairman of the Supervisory Board’s committees shall receive twice the amount resulting from sub-section 1 and the members of those committees shall receive one and a half times the amount resulting from sub-section 1. If a member of the Supervisory Board exercises more than one function that is subject to remuneration pursuant to sentence 1 or 2, the remuneration shall be measured only on the basis of the function which is remunerated with the highest amount.

3. In the event that a member of the Supervisory Board has only belonged to the Supervisory Board for a part of the financial year or has exercised more than one function that is subject to remuneration pursuant to sub-section 2 sentence 1 or 2, the amount of remuneration payable to that member pursuant to sub-sections 1 and 2 shall be reduced on a time-apportioned basis.

4. In addition, each member of the Supervisory Board shall receive an attendance fee of EUR 2,000 for each full meeting of the Supervisory Board which the member has attended. These fees are payable at the end of the financial year. Attendance at more than one meeting on the same day shall not be remunerated separately.

5. The Company shall reimburse each member of the Supervisory Board for reasonable out-of-pocket expenses and the value added tax attributable to any remuneration.

6. This regulation shall apply for the first time for the financial year commencing on 1 January 2008 (remuneration year)".
