6.1 Prof. Dr. rer. nat. Dr. h.c. Reinhard Hüttl, Potsdam, Chairman of the Management Board and Scientific Board of GeoForschungsZentrum Potsdam (GFZ) Stiftung des öffentlichen Rechts and holder of the Chair for Soil Protection and Recultivation at the Brandenburg Technical University of Cottbus, for a term of office up to the close of the Annual General Meeting at which ratification of the acts of the Supervisory Board is resolved for the financial year 2017,

7. Resolution regarding the amendment to § 15 of the Articles of Incorporation (Remuneration of the Supervisory Board).

The remuneration of the Company’s Supervisory Board has not been adjusted since the financial year 2008.

The proposed change to the Articles of Incorporation is intended to ensure that the performance-related component of the Supervisory Board’s remuneration – currently linked to earnings per share of common stock for the past financial year – will, in future, take more than one financial year into account and be oriented toward sustainable growth of the enterprise. The proposed change is also intended to ensure that the Company complies with the revised recommendation on supervisory board compensation contained in section 5.4.6 paragraph 2 sentence 3 of the German Corporate Governance Code (version dated 15 May 2012). It is also proposed that the fixed remuneration component be raised at the same time. The performance-related compensation component is to be capped at twice the amount of the fixed remuneration.

The Supervisory Board and Board of Management therefore propose that a resolution be taken to amend § 15 of the Articles of Incorporation and reword it as follows:

“§ 15 Remuneration of the Supervisory Board

1. Each member of the Supervisory Board shall receive the following for each financial year (remuneration year)

a) a fixed amount of EUR 70,000 payable at the end of the financial year and

b) a performance-based remuneration of € 170 for each full € 0.01, by which the average of the (undiluted) earnings per share (EPS) reported in the Group Financial Statements for the remuneration year and the two preceding financial years exceeds a minimum amount of € 2.00, capped however at a maximum of twice the fixed annual remuneration pursuant to a).

The performance-based remuneration shall be payable at the end of the Annual General Meeting at which the Group Financial Statements for the remuneration year are presented or at which the resolution concerning their approval is taken.

2. The Chairman of the Supervisory Board shall receive three times the amount resulting from point 1. Each Deputy Chairman of the Supervisory Board shall receive twice the amount resulting from point 1. Provided the relevant committee convened for meetings on at least 3 days during the financial year, the chairmen of the Supervisory Board’s committees shall receive twice the amount resulting from point 1 and the members of those committees shall receive one and a half times the amount resulting from point 1. If a member of the Supervisory Board exercises more than one function that is subject to remuneration pursuant to sentence 1 or 2, the remuneration shall be measured only on the basis of the function which is remunerated with the highest amount.

3. In the event that a member of the Supervisory Board has only belonged to the Supervisory Board for a part of the financial year or has exercised more than one function that is subject to remuneration pursuant to point 2 sentence 1 or 2, the amount of remuneration payable to that member pursuant to points 1 and 2 shall be reduced on a time-apportioned basis.

4. In addition, each member of the Supervisory Board shall receive an attendance fee of € 2,000 for each full meeting of the Supervisory Board (Plenum) which the member has attended. These fees are payable at the end of the financial year. Attendance at more than one meeting on the same day is not remunerated separately.

5. The Company shall reimburse each member of the Supervisory Board for reasonable out-of-pocket expenses and the value added tax attributable to any remuneration. The Company may include the members of the Supervisory Board in the coverage provided by a Directors’ and Officers’ liability insurance policy maintained at the Company’s cost.

6. This regulation shall apply for the first time for the financial year commencing on 1 January 2013 (remuneration year)".
II. **Other information.**

1. **Total number of shares and voting rights at the date of notice of the Annual General Meeting.**

At the date on which notice of the Annual General Meeting is given, the Company's share capital amounts to € 655,989,413 and is sub-divided in 655,989,413 shares with a par value of € 1 each, comprising 601,995,196 shares of common stock, to which 601,995,196 votes are attached, and 53,994,217 non-voting shares of preferred stock. The voting power attached to each share for which the statutory minimum contribution has been paid up corresponds to the share's par value. Each € 1 of par value of share capital represented in a vote is entitled to one vote.

Only holders of common stock are entitled to vote on the Agenda points listed in section I above.

2. **Prerequisites for attending the Annual General Meeting and for exercising voting rights.**

Shareholders shall only be entitled to attend the Annual General Meeting and exercise their voting rights, either in person or represented by an authorised person (proxy), if, prior to the meeting, they have submitted notification of attendance in the form prescribed by § 126b of the German Civil Code, either in German or English. Shareholders are also required to provide proof of their entitlement to attend and exercise their voting rights. For this purpose, documentary evidence of the shareholding, issued by the custodian bank (in the form prescribed by § 126b BGB), in either English or German, is required. The documentary evidence must be based on the situation at the beginning of the 21st day before the Annual General Meeting (“Record Date”), i.e. at 00.00 CEST on 23 April 2013. The entitlement to attend the Annual General Meeting and to exercise voting rights is based on shareholdings on that date; for the purposes of the relationship between shareholders and Company, the decisive criterion for attendance at the Annual General Meeting and the exercise of voting rights as a shareholder is whether evidence of shareholding has been registered as at the Record Date.

As with the notification of attendance, the documentary evidence of a shareholding must be received by the Company at the latest by the end of 7 May 2013 at the following address:

**Bayerische Motoren Werke Aktiengesellschaft**

c/o UniCredit Bank AG
CBS40GM
80311 Munich
Telefax: +49 (0)89 5400-2519
E-Mail: hauptversammlungen@unicreditgroup.de

Shares are not blocked as a result of notification of attendance at the Annual General Meeting. In other words, shares remain available for disposal once notification of attendance has been successfully registered.

Custodian banks normally make the notification of attendance and provide the documentary evidence of shareholdings on behalf of their customers after the customers concerned have requested an attendance card for the Annual General Meeting. Shareholders are therefore requested to contact their custodian bank and to apply for an attendance card as soon as possible.

3. **Proxies; procedure for exercising voting rights via an authorised proxy.**

Shareholders who do not wish to attend the Annual General Meeting and/or exercise their voting rights in person, may exercise their rights, and in particular their voting rights, via an authorised proxy, e.g. a bank or a shareholders’ association.

The granting of proxy authorisations, their revocation and the communication of proof of proxy authorisation to the Company must be executed in text form or electronically using the procedure made available at www.bmwgroup.com/ir/proxyvoting.

Banks and shareholders’ associations as well as persons and institutions which are deemed equivalent to such by the German Stock Corporation Act may, in conjunction with the special regulation (§ 135 AktG), stipulate different requirements with regard to their own appointment as proxies. Details of these requirements may be obtained from the relevant authorised proxies.

Bayerische Motoren Werke Aktiengesellschaft also offers holders of common stock the option of exercising their rights via representatives appointed by the Company who are bound to vote in accordance with the shareholder’s instructions. If a proxy is granted to Company representatives, the appropriate voting instructions must be issued. The proxy authorisation is invalid if this is not done. The Company representatives are obliged to vote in accordance with the instructions given.
Proxy authorisations and instructions given to Company representatives can be submitted in advance of the Annual General Meeting using the proxy forms stipulated by the Company. Common stock shareholders will receive these proxy forms together with the attendance card. In this case, the completed proxy forms must be sent to reach Bayerische Motoren Werke Aktiengesellschaft, Dept. FF-2, 80788 Munich by 10 May 2013, 24:00 (CEST) at the latest. Proxy authorisations and instructions may also be given to Company representatives electronically via the Internet, using the procedure made available at www.bmwgroup.com/ir/proxyvoting. This procedure will remain available until 13 May 2013, 12:00 (CEST).

4. Procedure for exercising voting rights by postal vote.

Common stock shareholders may cast their votes either in writing or electronically (postal voting) without attending the Annual General Meeting.

Common stock shareholders wishing to use the postal voting option should use the form sent to them with the attendance card. In this case, the completed postal voting form must be sent to reach Bayerische Motoren Werke Aktiengesellschaft, Dept. FF-2, 80788 Munich by 10 May 2013, 24:00 (CEST) at the latest. It is also possible to cast votes electronically using the procedure made available by the Company at www.bmwgroup.com/ir/proxyvoting. This procedure will remain available until 13 May 2013, 12:00 (CEST).

5. Requests for items to be added to the Agenda.

Pursuant to § 122 (2) AktG shareholders, whose aggregate holdings amount to at least one-twenthieth of the share capital or the amount of € 500,000 (equivalent to 500,000 shares each with a nominal value of € 1) may request that certain items be included on the Agenda and announced as such. Pursuant to § 131 (1) AktG upon request, each shareholder shall be provided with information at the Annual General Meeting by the Board of Management on the Company’s affairs, the legal and business relationships of the Company with affiliated companies and on the situation of the Group and of the companies included in the Group Financial Statements to the extent that such information is necessary for a proper evaluation of an item on the Agenda.
