Payment of a dividend of € 8.52 per share

Transfer of the remaining amount to other revenue reserves, amounting to: € 50,324,029.88

Unappropriated profit for the financial year 2022 € 5,480,586,722.58

The resolution on the utilisation of unappropriated profit reflects 20,886,099 treasury common shares and 1,794,519 treasury preference shares. These treasury shares are not entitled to a dividend pursuant to § 71b of the German Stock Corporation Act (AktG).

The dividend falls due for payment on the third business day following the Annual General Meeting, § 58 (4) sentence 2 AktG. Accordingly, payment is scheduled for 16 May 2023. As of this date, the dividend will be paid out by the depositary banks via Clearstream Banking AG, generally after deduction of 25 % capital gains tax and 5.5 % solidarity surcharge on the capital gains tax (a total of 26.375 %) and, if applicable, church tax on the capital gains tax.

The deduction of capital gains tax and of solidarity surcharge does not apply to shareholders based in Germany who have submitted to their custodian bank a non-assessment certificate ("Nicht-Veranlagungsbescheinigung") from their local tax office. The same applies in whole or in part to domestic shareholders who have submitted an exemption order ("Freistellungsauftrag") to their custodian bank, insofar as the exemption volume has not been exhausted by other income from capital assets.
For shareholders based outside of Germany, the withheld capital gains tax including the solidarity surcharge may be reduced in accordance with existing agreements on the avoidance of double taxation between the Federal Republic of Germany and the country concerned.
